

## How to Update Your Profile to Claim MOC Credit

In order to claim MOC credit, your profile must be updated with your credit eligibility and specialty board with diplomate number. If you do not have that information updated in your profile, you will not even see the MOC credit to claim.

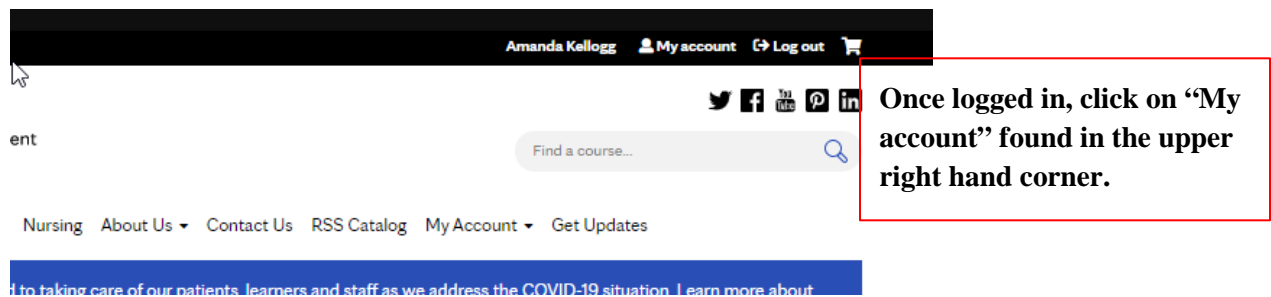

To check and/or update your profile, follow these steps:

Go to <https://ce.mayo.edu> in a web browser

In the top right corner, you'll see "log in". Click on that.

Log in using your EthosCE username and password.

Under 'My Account' click on "Edit" and then on "Profile"
