

Hospital Medicine for NPPAs CME Booster Pack

Activity Description

The Booster Pack online course is both a supplement and a standalone CME offering, in addition to previously recorded Live courses and Live Streamed material. This will serve as an educational adjunct between the October recorded course and the May Livestream event and maintain offerings for our traditional audience as well as appealing to new participants.

Target Audience

This activity is appropriate for Physician Assistants, Nurse Practitioners, Nurses, Physicians, Pharmacists, Students, and Allied Health Professionals.

Learning Objectives

Upon conclusion of this activity, participants should be able to:

- Review workup of anemia in hospitalized patients and evidence-based transfusion strategies
- Identify most up to date evidenced based management of COVID19 patients
- Recognize laboratory abnormalities in hospitalized patients and how to appropriately treat.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)

AMA

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 12.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. Approval is valid until 02/22/2024. This activity is designated for 12.50 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

ANCC

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 12.50 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals

A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

Disclosure Summary

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Listed below are individuals with control of the content of this program who have disclosed...

Relevant financial relationship(s) with industry:

Lisa A. Kottschade, APRN, C.N.P. Grant/Research Support Bristol Myers Squibb

No relevant financial relationship(s) with industry:

Amanda J. Chaney, APRN, D.N.P.	Rebecca R. Parry, APRN, M.P.H.
Alice Gallo De Moraes, M.D.	Nancy E. Pitruzzello, D.N.P., APRN, M.S.N.
Chandrasagar (Sagar) Dugani, M.D., Ph.D.	Steven Porter, M.D.
Lisa R. Hardesty, Ph.D., L.P.	Syed Ahsan Rizvi, M.D.
Andrew J. Herber, P.A.-C.	Christan D. Santos, APRN
A. Scott Keller, M.D., M.S.	Katey M. Wert, P.A.-C.
Gautam V. Matcha, M.D.	Daniel P. Montero, M.D.
Elizabeth A. Mauricio, M.D.	Jamie S. Newman, M.D., M.H.A.
Sandeep R. Pagali, M.D. M.P.H.	Brianna M. Skrukud, APRN, C.N.P.
William C. Palmer, M.D.	

References to off-label and/or investigational usage(s) of pharmaceuticals or instruments in their presentation:

Lisa A. Kottschade, APRN, C.N.P.	Vedolizumab, Infliximab, Rituximab, Omalizumab

Disclaimer

Participation in this Mayo Clinic educational activity does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course. You should be aware that substantive developments in the medical field covered by this recording may have occurred since the date of original release.

Prerequisites for Participation

There are no prerequisites needed prior to participating in this education activity.

Method of Participation

Participation in this activity consists of reviewing the educational material, completing the learner assessment and evaluation.

How to Obtain Credit

To obtain credit, complete the assessment, evaluation and submit.

Release and Expiration Dates

Release Date: February 23, 2021
Expiration Date: February 22, 2024

Acknowledgement of Commercial Support

No commercial support was received in the production of this activity.

Program Schedule (with Pharmacology content hours)

Select presentations will contain pharmacology content as noted. Identified presentations represent approximately XX hours of pharmacology content.

Lecture	Faculty	Timing	Pharmacology content	Pharmacy timing count
Finding Your Balance: Navigating the Challenges with Skill	Lisa R. Hardesty, Ph.D., L.P.	0:43:36		
Lab Rats to The Rescue: Impatient Cases in Lab Medicine	Andrew (Andy) J. Herber, P.A.-C.	0:51:46		
Dude...Where's My Blood? Evaluation of Anemia in Hospitalized Patients	Andrew (Andy) J. Herber, P.A.-C.	0:43:22		
Update in Hospital Medicine	A. Scott Keller, M.D., M.S.	0:40:30	X	.50
Ischemic & Hemorrhagic Strokes	Elizabeth A. Mauricio, M.D.	0:37:08	X	.50
Delirium - Assessment and Management	Sandeep R. Pagali, M.D., M.P.H.	0:32:00		
Call GI, We Need a Scope!	William C. Palmer, M.D.	0:29:07		
Acute Abdominal Pain: A Case-Based Approach	William C. Palmer, M.D.	0:23:28		
Depression and Anxiety in the Medically Hospitalized Patient	Rebecca R. Parry, APRN, M.S.N.	0:24:06	X	.25
Clearing Your Patient for Surgery: Lessons Learned - Perioperative Evaluation	Nancy E. Pitruzzello, APRN, D.N.P., M.S.N.	0:37:00		
Challenges in Patient Management and Opioid Review	Steven Porter, M.D.	0:34:16	X	.50
An Introduction to Point of Care Ultrasound: When to Use, What to Do	Christan D. Santos, APRN	0:38:08		
Communication Skills in a Virtual World	Daniel P. Montero, M.D. & Katey M. Wert, P.A.-C.	0:34:01		
Acute Liver Failure	Amanda J. Chaney, APRN, D.N.P.	0:41:01		
COVID-19: What we know so far	Alice Gallo De Moraes, M.D.	0:32:47	X	.50
Deep Vein Thrombosis and Pulmonary Embolism: Hospitalist Management	Chandrasagar (Sagar) Dugani, M.D., Ph.D.	0:38:33	X	.50
Clinical Management of Immune Checkpoint Inhibitor Toxicities	Lisa A. Kottschade, APRN, C.N.P.	0:41:19	X	.50
COVID-19 Hospital Management	Gautam V. Matcha, M.D.	0:48:55		
Hematologic Emergencies for the Hospitalist	Syed Ahsan Rizvi, M.D.	0:30:43		
Inpatient Wound Care: What Every Hospitalist Should Know	Brianna M. Skrukud, CNP, CNP-BC, RN, MSN	0:30:30		
			Pharm Content hours	<u>3.25</u>
