

Mayo Clinic's Critical Care Online: A Review for Nurse Practitioners and Physician Assistants

Activity Description

Mayo Clinic's Critical Care Online: A Review for Nurse Practitioners and Physician Assistants CME is designed for Advanced Practice Providers working with critically ill adult patients. Evidence-based diagnostic and treatment strategies will be presented regarding the management of commonly and uncommonly encountered diagnoses in the ICU.

Target Audience

This online course is intended for Nurse practitioners, Physician Assistants, Hospital and Intensive Care Physicians and Residents, Registered Nurses, Allied Health Professionals, Respiratory Therapists, NP/PA students in acute care.

Learning Objectives

Upon conclusion of this activity, participants should be able to:

- Define common organ failure syndromes in the critically ill, such as respiratory failure, shock, and sepsis
- Practice evidence-based strategies for management of complex patients with multiorgan system dysfunction
- Classify and intervene on a variety of commonly seen neurologic emergencies

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)

AMA

The Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 5.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 5.00 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

ANCC

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 5.00 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacology Content

Select presentations will contain pharmacology content as noted in the program. Identified presentations represent approximately 2.25 hours of pharmacology content.

Disclosure Summary

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any

commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Listed below are individuals with control of the content of this program who have disclosed...

Relevant financial relationship(s) with industry:

None

No relevant financial relationship(s) with industry:

Ami A. Grek, APRN, D.N.P.

Philip E. Lowman, M.D.

Jennifer C. Meder, RDN, LD/N

John E. Moss, M.D.

Sarah H. Peacock, APRN, D.N.P.

Ivan E. Porter, II M.D.

Joshua A. Propst, P.A.-C.

Christan D. Santos, APRN

References to off-label and/or investigational usage(s) of pharmaceuticals or instruments in their presentation:

None
