# Welcome

**Dear Exhibitors,**

On behalf of the Mayo Clinic Division of General Internal Medicine, we are pleased to announce our annual "Updates in Internal Medicine 2022" course which will be held October 20-22, 2022, at *Disney's Contemporary Resort*, Lake Buena Vista, FL. This course is intended for practicing general internists, family practice physicians, sub-specialists, and advanced practitioners in need of practice updates.

Updates in Internal Medicine will present up-to-date information as well as contemporary approaches/strategies to the ever-changing and expanding discipline of internal medicine. The program will cover the scope of internal medicine, selecting from a variety of pertinent general and sub-specialty derived topics. Expert faculty will present evidence-based and emerging practical clinical approaches, regarding various general and sub-specialty topics.

We have 24 expert faculty members presenting on topics that are highly relevant to the practitioner. The topics have been carefully selected to attract a wide range of attendees from sub-specialties within internal medicine. We are anticipating an audience of approximately 150 attendees. To view the entire program and additional information please go to [ce.mayo.edu/imupdate2022](https://ce.mayo.edu/imupdate2022)

To support this exceptional course with an exhibit, please complete the [online forms](#) (select Exhibitor Tab), and pay the exhibit fee in the amount of \$1,500 (Federal ID #41-6011702). We are offering exhibit space in a virtual platform and in-person available.

Sincerely,

Arya Mohabbat, MD  
*Assistant Professor of Medicine, Mayo  
Clinic  
Course Director*

Sanjeev Nanda, MD  
*Assistant Professor of Medicine, Mayo  
Clinic  
Course Director*

# Conference Highlights

Topics and speakers are carefully chosen to provide quality, practical and evidence-based plenary sessions.

## Presentation Topics for 2022 include

- Updates in General Internal Medicine
- Commonly Used FDA Drugs Update
- Perioperative Medicine
- Hospital Medicine
- Endocrinology & Diabetes Management
- Gastroenterology
- Pulmonary Medicine
- Preventive Screenings
- Anticoagulation
- Cardiology
- Presentation Skills
- Physician Burnout and Well-Being
- Geriatrics
- Acute Care
- Updates in ICU Management
- Women's Health Updates
- Infectious Diseases
- Post-COVID Syndrome

## Audience

We expect 150+ attendees at Updates in Internal Medicine course. This conference is applicable to practicing general internists, family practice physicians, subspecialists, and advanced practice providers in need of practice updates.

## Attendee List

Exhibitors will be provided an attendee list including Name, Credentials, City, & State.

## Price

\$1,500 exhibit fee includes a virtual exhibitor page consisting of your company logo, short company summary, company website address, pdf or video introduction, and a link for attendees to connect with the representative. Due to COVID-19 precautions, in-person space may be limited. In-person space will be determined when payment is received.

## Why Exhibit?

Technical and educational exhibits provide a professional and educational environment in which the physician can receive demonstrations, view products and services and discuss the clinical uses of these products and services, including how they may improve the quality of care and the management of the medical practice. Additionally, the exhibits enhance the educational content of the meeting helping to provide quality continuing medical education.

### Benefits

- Build visibility for your company in a competitive marketplace
- Expand your customer base and strengthen existing customer relationships
- Introduce new products and services
- Virtual Exhibit Hall promotion before, during and after conference
  - The content will be available to attendees for one-year post-activity.
- Listing in Exhibitor Directory with link to company website & Landing Page
  - Listing will be alphabetical
- Exhibit Booth Customization, options include PowerPoint slide, PDF handout, or video
- Two non-CME conference access links for representatives to attend all sessions
- 90 days post-activity, exhibitors will be provided analytics on page traffic
- Attendee list (Name, Credentials, City, & State) one week prior to the conference
- Vendor Recognition in course syllabus, opening/closing remarks, and break times
- Interact face-to-face with influential decision makers in the field of internal medicine

# Exhibitor Information

## Virtual Exhibit Area

You will receive a spot on the virtual exhibitor page where attendees can view your educational materials and have an easy way to connect with you directly to inquire more and set-up discussions. The Virtual Exhibit Hall will be available to attendees and non-attendees October 20, 2022 – October 19, 2023.

We encourage you to have a live person available during the course dates (October 20-22, 2022) to interact with the attendees

## In-Person Exhibit Area

Due to COVID-19 precautions, in-person space may be limited.

### In-person Exhibit Area includes

- One (1) 6' draped table with (2) chairs
- ID sign
- General maintenance of the common areas of the exhibit hall
- Virtual Exhibit Area

## Exhibitor Assignments

Every effort will be made to give exhibitors their first choice of location. In case of conflicting requests, priority will be determined based on date contract signed, payment received, amount of space required.

Due to COVID-19 precautions, in-person space may be limited. In-person space will be determined when payment is received.

All exhibitors will receive space in the Virtual Exhibit Area. See attached for more information about the virtual exhibit area

Exhibitors are asked to comply with [Mayo Clinic Requirements and Guidelines for Live Courses and Conferences](#).

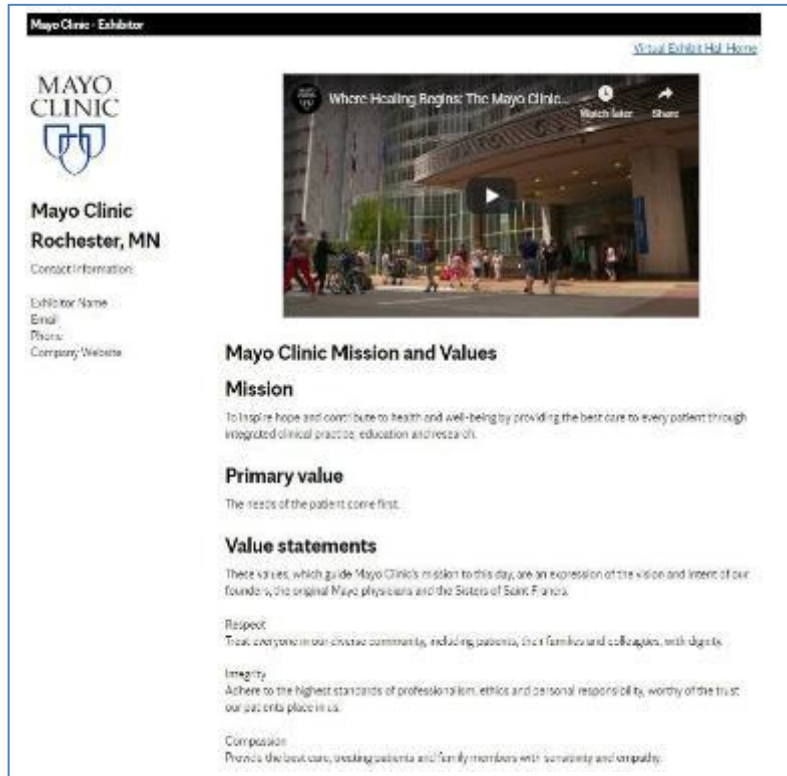

## Virtual Exhibit Hall

Open 24/7 for one year for attendees
